Order of Prefixes

g^{wə}	λ'u	ɬu	d-	s-	ʔu-
		tu	ad-	dəx^w-	ʔəs-
					lə-

Notice that the prefixes in the columns show that only one can be used at a time. For example, you will never use ɬu and tu in the same sentence.

In the following sentences, make corrections if necessary, and translate them into English.

- x^{wi}? k^{wi} g^{wə}ɬusdλ'a hibulb
- ʔəsləʔuχ^w tsi pala dx^w?al ti dəx^wčəɬabalʔtx^w

Mary: Tom, do you have a pencil?

Tom: Yes, I have a pencil.

Mary: How many pencils do you have?

Tom: I have nine pencils.

Mary: Can you please give me three pencils? (please give me = $g^wəʔabyic\ ʔə\ k^wi$)

Tom: I found four pencils.

Mary: Well, how many pencils do you have?

Tom: $9+4 = 13$. I have thirteen pencils.

Mary: Okay, can I please have three pencils?

Tom: Yes. Now I have ten pencils.

Mary: I have three pencils. Thank you Tom.
